More miles per gallon definitely helps lower the cost of ownership.

Comparing this 1975 Chevy C10 Half-Ton Pickup* with its 1974 counterpart in the GM Proving Grounds City/Suburban Driving Schedule, the '75 Half-Ton, using unleaded gasoline, showed about a 14% reduction in fuel consumption over the '74 model using leaded fuel. As detailed in the box at right, this would amount to net savings of \$343 in 50,000 miles. Again, these savings will vary depending on equipment, loads, operating conditions and the price of gasoline.

PREP ROUND-UP Dothan took advantage of 14 Enterprise fumbles to down the Wildcats, 10-6, and give the Tigers their first trip to the play-offs.

Geneva ended their season at 8-2 by downing DeFuniak Springs, 20-12. The Panther's only losses were to Enterprise and Andalusia, who finished with 8-2, and 9-0 West End shocked Banks, by upsetting the Jets 35-27. The two Birmingham schools are in the play-offs, and could butt heads again in the state finals.

Zion Chapel sputtered, but still had enough to down a good Brantley team, 15-12. The Rebels must improve this week if they hope to capture a state title.

Andalusia squeaked out a 9-8 victory over Eufaula, in a battle of two evenly matched teams. The Bulldogs don't appear to be as strong as last years squad. Eclectic gave warning that they were after the 2A ti-tle, by trouncing Lineville, 42-0. The Panther's ran their record to 11-0, and are the favorites to capture the 2A

The Ashford Yellow Jackets romped and rolled ov Florala, dropping the Wildcats 23-7. Ashford is now 9-0, Clio kept the Wiregrass in the thick of the title race by defeating Reeltown, 20-14. The YellowJackets have only lost one game, that to Zion Chapel.

The Blue Devils are greatly improved since the first of the season, and could be the dark-horse of Class 3A. Sweetwater's unbeaten Bulldogs tuned up for their meeting with Zion Chapel by walloping Lyeffion 29-0. The Bulldogs should give the Rebels all they can handle.

Atmore had a tough time, but downed U.M.S., 15-10.

The crystal ball came through on 13 of 15 picks for a sparkling 87%. The new ball has done extremely well, hitting on 97 of its last 115 picks for a good 84%.
